

THE LAMPLIGHTER SCHOOL
FINANCIAL AID INFORMATION

A policy for granting financial aid for the payment of tuition was established in 1991. The amount awarded depends on the demonstrated need and available funds. These funds are made available from the school's resources including earnings from a fund designated for financial aid. Families of continuing and new students may apply for these funds that will be awarded by May 14. Families of continuing and new students follow the same procedures; however, the deadline dates are different. Financial Aid is awarded on a yearly basis and therefore must be reapplied for each year. If a student is withdrawn due to lack of financial aid from the school, the deposit will be refunded less \$100.

Those families seeking financial assistance must complete all procedures listed below. All questions should be directed to the Assistant Head for Finance and Operations at 214-369-9201, ext. 344.
